

Confirmation Covenant 2022-2023

The expectation for the Participant to fulfill during both First & Second Year of the Confirmation Program:

- 1) To complete the course expectations and demonstrate knowledge of the year's material.
- 2) To attend **worship** regularly with the minimum expectation being **65% of Sundays, September – June**. If on vacation or visiting another church, an initialed bulletin by the pastor or note from the pastor where you attended is acceptable. Attendance at a funeral, wedding or midweek worship service also counts as worship attendance.
- 3) To complete **10 sermon notes each year**, with the expectation of **20 total completed by the end of the second year**. These are important because it helps the students improve their ability to analyze the Word of God in a relevant context. The Pastor has a tangible opportunity to help the Confirmands improve this skill, while encouraging spiritual discovery.
- 4) To **attend Sunday School** regularly, with the minimum expectation being **65% of Sunday School classes from September – June**. The interaction between Confirmands, Sunday School teachers and the Pastor (including the questions, answers, and practical applications of theology discussed in class) are unique to each class setting and cannot be reproduced among the Confirmation Class as a whole.
- 5) To **complete 10 Service hours each year**, with the expectation that there will be **20 total completed by the end of the second year**. Yearly hours are broken down into a combination of Community Service hours (service hours) and Christian Involvement credit hours (credit hours) as follows: 6 service hours, 2 credit hours, and 2 remaining hours to be completed as desired by student (service hours and/or credit hours). A list of credit hour activities is on the back.
- 6) To attend two mini retreats each year. One in the fall and one in the spring.
Oct 8th _____ or Nov 5th _____ TBD at meeting
Feb 4th _____ snow date Feb 11th _____
- 7) To participate in **Mentoring Program**.
- 8) To attend **one confirmation workshop each year** – or its equivalence of value, as determined by the Pastor and the Director of Faith Formation.
- 9) To work cooperatively with the Sunday School teachers, church council, Director of Faith Formation, and the Pastor.

Expectations of the participant to fulfill within any timeframe of the Confirmation Program:

1. To memorize and demonstrate knowledge of the Lord's Prayer, the Ten commandments, and the Apostle's creed.
2. To attend one church council meeting, minimum of an hour. (2nd Thursday of the month at 7 p.m.)
3. To develop one's own individual Faith Statement. The Faith Statement is a chance for each Confirmand to put into words what he/she personally believes about his/her faith. The most important part about the Faith Statement is not the length, but the honesty in expressing what it is the Confirmand actually believes and why they want to be confirmed. These statements will be read during the worship service on their confirmation Day.
