Christmas Program 2016 Sunday, December 18th

Be a part of this year's intergenerational Christmas program during worship on December 18th. It will be an interactive family worship experience, where everyone has a part to play! For logistical reasons, everyone will need to enter the building through the Sunday School foyer doors (next set of doors to the left of the front doors to the sanctuary). Follow the signs from there!

Spaghetti Dinner Results

Thanks to your generosity, the Spaghetti Dinner raised \$760 for the students at Lincoln Leadership Academy Charter School, where the 93% of students live at the federal poverty level. This money will be spent on items that will be donated to the school market where students can spend “paw points” they have earned on items they can give as gifts for their family this holiday season. Below is a thank you posted to Facebook by LLACS’s music teacher, Kaela Bitting, who stopped by the dinner to extend her personal thanks.

“I am so moved by the fellowship that lives in the congregation of Jordan Lutheran Church! It was heartwarming to discuss what Lincoln Leadership Academy's mission is, and to see so many people support the youth ministry in their efforts to help the students of Lincoln...”
